IT'S IN THE GENES

Riley Clark Parker,

DOB 3rd August 2007

weighing in at 8 lb 12 oz.

Going to Board meeting will be request from Inner Wheel District to be a guest speaker at Club.

Not many fines tonight is the constant call from Sergeant Colin, however,

Sizing up their gold coin contributions were:-

- Those with no tie
- John; Geoff; PDG Ron all with birthdays recently but no sign of any port in the storm.
- Vic, more vehicle bingles.
- Doug, Pavlich signing and purple tie and Mike for mostly purple tie (Louise obviously dressing him).
- Ross and Colin R, badge take homers.
- Ron Bradock, as if he hadn't been ripped off enough on holidays
- Vin, improvement to waving action required and chastising Sergeant over gong.

From PE Ron, a pleading did you get your emails?

Lots of sun, but cold at BNB, but 1284 good reasons to be there.

All the Directors reported:-

- Vocational – John – Thanks from Swan TAFE for \$750 contribution; Thornlie Senior High School happy with 5 scholarships at \$600 each

- International – Colin – projects forthcoming.
- New Generations – Vin – visited Canning Vale College and distributed information on Siemens and RYPEN; also Thornlie Primary School and received wish list.
- Community – shared report – Fairholme, site meeting held and Barry Winterbourne will be preparing a proposal; \$500 to Jayde Stepanovski for Disabled Swimming Championships; \$1000 for FoodBank breakfast program in Thornlie area.

G Geoff reported on District meeting on membership - \$10K commitment to marketing advertisements and also developing a prospective member pack.

Soon individual police clearances may be required for Board members.

Once more PP Colin will argue the case for BNB approval to not carry a charitable collection licence status.

Oral presentations being PE Ron's new forte, membership being the subject, and something different is in the offing. Look for further recommendations on achieving a realistic target for membership number increase. Ideas re "My Space" and "Avatar" floated.

Newspaper advertisements from Thornlie and other nearby clubs is getting bogged down, but will happen.

Better club activity ideas raised – external meetings at restaurants; barbecues; visiting larger clubs; hands on projects all being aired.

Youth exchange not dismissed as an activity.

End of night via Advance Australia Fair.

Heave ho (one of the first back to me deciphering the above message could get a bottle of WAFarmers wine – no correspondence will be entered into).
