Secretary Doug: Reported that Professor Karen Simmer advised that at the Western Australian Health Conference "Getting it Right 2007" the "Perrin Rotary Express Milk Bank" was given the highest award for an outstanding contribution to the health of Western Australians. Peter Hartman and I sincerely thank the club for its generous support for this project and without your belief and funds this important health initiative would never have got off the ground.

Acting Sergeant John: Among a number of fines which included
Ted Evans for breaking John Stockbridge's late arrival record
Lloyd Dungey for presenting a \$100 note with the ink yet to dry
Phil and Ron Bradock for failing to provide the Sgt with any fines
Lloyd for the current cricket debacle
Mike for being the possession of a mobile fire hazard
Vin Rogers for being a frequent Father Christmas look alike

Literacy Project: Before committee meetings President Andy proposed to conduct a secret ballot that had been authorized by the Board, to determine whether the club wished to proceed with the project as previously outlined. Andy asked for any queries or questions, with none forthcoming it was decided to move directly to the vote.

"08 January 2008, ROTARY CLUB OF THORNLIE BALLOT, Do you support the proposed Rotary Club of Thornlie Literacy Project? *Yes or No*

After counting the votes and having been assisted by PP Chris, Secretary Doug declared that a majority of members present supported the project.

Bring & Buy: included an incident involving John Stockbridge who fell backwards while tying a rope, damaging his wrist, but in the true spirit of Rotary continued with his duties although he may have to attend a refresher rope handlers course.
