Next weeks meeting program

JOINT MEETING WITH KENWICK - WEDNESDAY

PDG Ron advised that he had phoned Bea Wrathall and brought club members up to date on where she was at. She sounded good and was positive. Hopefully we will see her at the club again when she is able.

President Ron has confirmed the 23rd of September for the public meeting on Carbon Trading and will be working on advertising the event- all members will be required to assist.

We have used the sailing vessel Leuwin to assist with developing leadership skills in youth, for some time. The Leuwin has now developed a dinner package to enable people to have a look at the vessel. Cost is \$50 per head and includes Dinner and an inspection of the boat. These visits will be held during the warmer months of November through to February. The club will look at the possibility of holding a meeting “on board”

District is looking for nominations for District Governor for 2 years time – see President Ron – NB long service leave isn’t applicable.

Pres. Ron has done some work on this years conference and has suggested that those with caravans stay at the south Freo caravan park. Cost is \$38 per night. Further details later. Editorial note - Those with a death wish can suggest it to their spouse.

A reminder about the working with children certificates – they are needed by the end of August or some programs will have to be dropped.

PDG Frank, courageously, advised the club of the “Uplift” program being advertised in this months magazine- Down Under. The project is to collect unwanted Bra’s and send them to ladies overseas who don’t have any support. President Ron suggests that members who may wish to partake bring the items to Frank at the next ordinary club meeting.

Members discussed the benefits of investing in a “silent Salesman” to be displayed at local show, shopping centres and community gatherings to advertise the club and its activities. All were in favour and President Ron will investigate further.

President Ron is meeting members of the visiting Japanese Interact Club at Sacred Heart school, Thornlie next Tuesday afternoon. If you wish to attend please contact Ron.

Sergeant John then did his thing and got:-

- Truck drivers who thought they were qualified as I T consultants – Vic
- Those who hadn’t completed the working with children documentation – almost everyone
- Those who arrived at the dinning table early – Frank, Chris and Ron
- Ron Bradock for circulating outdated emails re viruses

- Pres Ron for living in his caravan for the last six weeks – and having to coordinate comfort breaks with Faye – during the night
- Those that yawned during last weeks guest speaker presentation – Editor was one of them
- PE Mike for bragging about the size of his new tool – thumb drive
- President for not declaring is taxable income
- Docker Doug for not wearing his purple shirt

Guest speaker Chrystal McIvor informed the club of the activities of LAND CARE in the Armadale and Gosnells area. Land Care has as it focus community awareness and concentrates on the basins for the Southern, Canning and Wungong rives. The objective is to improve water quality and reduce sedimentation.

PP Andy gave the ta.
