Sgt John and Corporal Lloyd

Those at the table before the second gong and Colin W for taking over the Sergeant's duties through ringing the second gong early.

John Mitchell - his boys did not know whether they were Mitchell's or Raspa's at BnB on Sunday

Colin W for his wife's \$4,500 tooth, this is even too much for a mouth for him!!

Ron Bradborn complaining about his \$3,400 rear end camera job.

Doug going to UK with his "convict cut"

The recipients of the Government's \$950 handout.

Andy and the skimpy barmaids – Colin W reckons they were great; Andy's still trying to come to a conclusion!

Faye for her \$50 parking fines at PMH.

Phil – Congratulations on becoming a volunteer driver at RPH. Early days had a few issues:-

Kay had to show him how to operate the "sat nav"

Got lost going to Midland!

Seems to take twice as long as others to do drop offs – not sure of the problem, but unlikely to be the speed at which he drives.

Hates the four cylinder car!!

Ted for a junket to the Gold Coast

Ron Bradborn being too "tight" to spend \$500 a night, on his beautiful wife to celebrate their XX Wedding Anniversary on Valentines Day. It seems that the caravan will have to do.

Ron Bradock for losing Yvonne's gold watch – eventually found hanging in the front door key hidey hole.

Meeting closed early to allow for committee meetings. However as a number of our Directors were missing in action and others did not bring their papers President Ron "ordered" that those committees meet next week.
