The return journey home took over 65 hours and the flight took him over the North Pole which was spectacular to see. Brazil was tropical with fantastic views, one problem being the number of steps to be negotiated particularly carrying the baby and bassinette.</p> <p>The sea is polluted and there is no fresh milk, things that we take for granted in Australia. Rio airport will need to be upgraded before the Olympics. The beaches are beautiful which are set up for sports as in volley ball and encourages people to walk. A kiosk is situated every 300 metres and it sells beer.</p> <p>Doug found the whole experience breath taking.</p> <p>REMINDERS</p> <ul style="list-style-type: none"> • Next week's meeting is at Willetton Rotary Club, Burrendah Boulevard on Monday 26th October 2009, 18.00 for 18.30 start. • There will be no meeting at the Golf Club on 3rd November. |

Host Chairman Ted introduced the guest speaker **Edward Chia** to talk about his experiences at RYLA. Edward is involved in the IT industry and gave a slide demonstration of the events at RYLA 2008 when he was a participant. He was unsure of himself and the expectations of others. He was encouraged to apply for RYLA 2008 by a friend that had been in 2007 and thought that the programme would benefit Edward as he had enjoyed it immensely. He learnt a lot and met a lot of interesting people. He is very shy but the others recognised him as a leader a quality he did not recognise in himself. He is going to be a facilitator at RYLA 2010 to give back into Rotary what he had gained himself. To help break down barriers and help others through. RYLA is being held on 17-23rd January 2010 at a cost of \$150 per participant and \$750 to the clubs sponsoring.

Andy offered a vote of thanks to Edward for attending and sharing his experiences with the club.

President Mike thanked **Edward** and visiting **Rotarian Roy** for bringing Edward along. **Ron Bradborn** read the charge and the meeting closed after the National Anthem
