## Bring 'N' Buy report

It started off a pleasant morn  
A little bit before the dawn  
Then it became not just bitter but bitingly cold  
It made Chris feel all of her thirty years old  
People looked grey and Bevan delighted  
He made a quick list of prospects he sighted  
Once all was set and the rope work away  
Phil Hinwood came late and blamed it on Kaye  
He did make the most of Kaye's absence you see  
Four egg burgers, two chips and three coffees for free  
Where was the egg man we wanted to know  
A fantasy made up for he didn't show  
The morning dragged on too much time yet to kill  
Until we put 1825 in the till

GLOATING OVER THE POMS VICTORY

The musical chair lady – ask Ross

## Sergeant's sessions

Some of the detail may have got lost in the execution but basically

- Lloyd for his ungallant loss to the POMS
- DG Phil for the misfortune of being related to Mr Syme
- PSG Ron and Frank as being the most unlikely to pass Police checks
- Phil Hinwood for “acquiring “ his suit from one of Bevan's clients
- Bevan – de neighing any part in the suit exchange – he normally just swaps heads
- PP Doug for his TV appearance on access 31 and Anet for having the audacity to tape it- WHY???
- Ted Evans for wearing his badge to the meeting
- Pat James for her aging process
- A tie Tax on anyone wearing a tie

**PP Ian Archibald** has returned to the fold having done the grand tour, checking out past Exchange students and the subtle differences in national drinks. His consumption ability was only limited by gravity – a force that has weighed him down for years.

It was great to catch up on the exchange student and hear where they were up – most now married with kids

Ian also dropped in on the Douglas's in Bangkok and spent a couple of days with Bill and Margarita. Margarita is feeling a bit poorly at the moment and is having some tests, Bill is still with Chevron and doesn't see them moving from Bangkok in the near future

The **International Committee** have made some decisions and allocated

- \$550 to the Indonesian Red Cross for children support for 5 orphans
- \$600 to Mauritius – to assist Children needing surgery
- \$1000 to PNG to assist with the establishment of a micro business
- \$300 to the Philippines for the provision of 6 cataract operations

All these are RAWCS projects – for the uninitiated Rotary Australian World Community Service

**SEPTEMBER is New Generations Month** – the Australian Girls Choir will be performing at the Midland Town Hall on Tuesday the 27<sup>th</sup> of Sept at 7.30 Pm – cost is \$10

This years **District Assembly** will start the system of obtaining Police clearances for all Rotarians – cost will be \$10 per head to be born by the club

**Social Lloyd** put a series of options to the club re this years Xmas get together – if I have it right the decision is that we are going to the Hyatt, as we did last year – for a lunch and drinks deal and the cost is \$49 per head. The date has been set for the 11<sup>th</sup> December- start fasting now

**Guest speaker** on the night was GD Phil who outlined his plans for his year – the first of the second century of Rotary. He sees an emphasis on

- Water management and literacy projects
- The public Image and the marketing of Rotary
- Membership growth
- New Generation with Youth exchange and Rotary foundation assisting with scholarships

DG Phil also outlined his plans for the 2006 conference in Kalgoorlie and that it is being jointly hosted by the three Kalgoorlie clubs – a special train is being provided – more details later
