This Coming Weeks Guest Speaker	Club Assembly	

PE Mike ran into a bit of trouble with a convoluted welcome to 2002 which no doubt was 2006. Bernie asked that PE Mike change his medicine

Duties were read out and Mike announced that next meeting is a Club Assembly. Please come up with some good thoughts.

Sergeant Ken did his thing - A short list of fines are :-

- Colin Waters – lost his grandson on the way to the 4.30 club
- Lew :- Celebrated Xmas in style and ended up ringing his mother twice to wish her a happy Xmas.
- Ron Bradbourn :- a futile fishing trip
- Mike enquiring on how to source certain DVD's and did so again while his fine was being called.
- Ken :- for his effort in laying brick paving. Half was done herring bone by Xmas eve and a phantom completed the balance in straight lines by Xmas breakfast. Using his ex police skills to find out who mucked up the laying he came to the conclusion if you lay bricks don't drink.

Guest Speaker was **PP Ian** who gave a brief account of their European tour.

The German exchange students advised that Germans could learn a lot from the Australian preparedness to put in that little extra and engage in volunteer work. **Wolfgang and Deitrich** are both high achievers and gained much from their exchange.

PP Doug moved vote of thanks and said his first appointment tomorrow was to attend the Hopman Cup.
