Ian's Blog - We are sorry we missed meeting Dan and his wife. We have many happy memories of him around the yard helping Ian at Gosnells and were sorry when we couldn't contact him in Canada. If he is still around please pass on our best wishes. When we get back we will get his details from you and perhaps be able to keep in touch.

Our trip across went well with scarcely any traffic. It was simply a job of setting the cruise control and then continuing to the destination. At present we are in Mildura with Maxine & Ian for a week and have stopped off to see the emails on the way to Wentworth for a day's excursion. Tomorrow Ian & I are booked for a tour our to Lake Mungo to find a\out about things out there. - Best wishes to everyone at your end. - Love Lorraine & Ian

Guest Speaker was Chris Pitman, the languages teacher from Sacred Heart Primary School. They have a contingent of 13 teachers going to Japan as part of their approach to ensuring that the learning of an additional language at school is fully integrated with all the other school activities. They would like a donation of \$5000 towards their project.

Frank gave the vote of thanks.
