This was a getting to know you visit, with the big performance scheduled for the end of July – PE Mike’s verbosity allowing. <b>We have to change the policy re locking up at Bring’N’Buy. Team leaders are to ensure that all toilet cubicles are empty prior to locking the door. Because of a recent incident hailing will no longer do. A site visit to the PREM premises in September seems a strong possibility.

### **Sergeant's session**

- Lew for his weird sense of toilet humour
- John S for the Perry Kelly award
- PP Doug for his TV appearances
- Bevan for trying new coffins with advertising on the outside
- PP Gary for his TV appearances and comments on crime
- John S for tinting his hair
- PDGE for just existing
- PDG bill for his experiences on the Murray river
- John Mitchell for not telling Bevan that he was in hospital
- Young Albert for chatting up the ladies at BnB

Guest speaker for the evening was our own **Andy Hopper**. Andy took a two weeks vacation that encompassed Victoria and Queensland, with a cruise thrown in as an added attraction. It was interesting to hear of sights and instances through Andy's eyes, as a first time visitor – although his propensity for the bird watching stretched Ron Bradborn's imagination.

The talk was filled with wit and humour and once again the old adage was fulfilled – the best guest speakers are in our own club.

### **We still need Bulletin Editors for next year – its only a month away**

Next Tuesday – the 6<sup>th</sup> – is an optional ladies night - we will be making the Grants to those groups successful as a result of our project with Centro Maddington

Numbers are a priority as the kitchen assumes it's a normal meeting

Could you please let Mike know numbers – if you are bringing someone by Friday morning please – it will be the normal time of 18.00 for 18.30
