Bills Douglas' Blog:- How are you?? Hope all is well, when is the big trip scheduled for? Read the story of the bub in the newsletter, that was heavy stuff and as she said, nothing short of a miracle that he survived.

Just to let you know I have been asked by Chevron to extend my stay in Bangkok for another year and I have accepted, between you and I this will probably be my last year as it seems a long time ago since I was in Perth and I sure miss it, but a lot will depend on how Marguerita is getting along at that time.

Dominique and Dan have been here for the last 2 weeks (went back to London on Wednesday) and it has been great company for the both of us. Trouble is that it is great while they are here but when they go it seems to be a great loss and gap in your life, but then when we get back to Perth it will be the same as far as our family is concerned.

Not long now to the footy season!! Can not wait, what's happening with the Eags? -- Might be forced to watch the super 14 rugby on the tele tonight??

Regards Bill
