Community Albert is very disappointed that it is over a week since we heard from Harvey Shire regarding our offer of help for the bush fire clean up. We will make no further contact.

Bowelscan information was distributed to those participating. He thanked Arthur, Anne and Ken for volunteering to do even more shifts on the stalls.

Some posters were given out to members advertising Bowelscan, in the hope they will be displayed.

Fundraising Colin said that again it was very windy at b-n-b. They were unable to put any signs out. They still managed to collect \$1162.

Saturday 24<sup>th</sup> March, Ross and Margaret are moving into their new house and would love a little help.

Sergeant Lew:

- Ron Bradborn....trailers and garage doors don't mix.
- All those without an outside shower (because Lew has one).
- Vic: busted his truck.
- Stubby holder raffle won by Lew.
- Ron Braddock because the raffle didn't work (Lew had to pay).
- Lloyd for helping Ron.
- All those not waiting for the second bell, too many to mention.
- Andy: fish good tonight.
- Pushpa for coming.
- Brian for coming.

Boy Buys on

- Lew for not making people stand when being fined.
- Ron Bradborn on Lew: the fine was completely lost in translation.

- Colin R on Ron Bradborn: not turning up to the quiz night.

Host Chairman Ron Bradborn introduced Gamal, originally from Sudan, Kathy McPhee and Natalie Tarr from Parkwood Primary School.

Gamal is a young boy who is a pupil at The Intensive English Centre at Parkwood Primary School. He has been there for about six months. With the help of Natalie he gave a power point presentation about some of the things he remembers of Sudan.

He said Fairbridge Camp, the Super Swing, the Zoo and climbing rock were his favourites. He likes playing Soccer and did Auskick.

Fish and chips are his favourite food.

Chris gave the vote of thanks.

Vocational Ted presented Natalie with a Vocational Excellence Award for her work at the Intensive English Centre.

Natalie then thanked the club, saying it is very much a team effort.

Don't forget next week is a club forum.

Thanks to those who brought the RDU's in.
